

## GET A GRIP

VERSE 1: Sometimes I walk with amazing grace  
Sometimes I stumble and fall  
Sometimes I soar through the living room  
Then I crash into the bedroom wall  
Put yourself in my place help me find that space  
Where the calm cool waters flow  
Help me hold on to the things that are true  
Before I sink too low

CHORUS: I got to get a grip on life  
Before it slips away  
'Cause yesterday's gone  
Leaving only today

VERSE 2: Lately I worry way too much  
About what my future brings  
Seems just when I get my life off the ground  
Somebody tries to clip my wings  
As the years unwind and the gristmill grinds  
I'm just tryin' not to fall in  
Hey enough is enough it's time to get tough  
And start bouncin' back my friend

CHORUS: We got to.... repeat w/tag- yesterday's gone - leaving only today

BREAK: music = chorus

VERSE 3: Seems the less I think about it  
The more it looks like I just might make it  
Life ain't so bad if you got the right at-titude  
Come on now shake it  
Come on and chase my shoes with a shot of booze  
And we'll whirl away our blues  
We'll hold on to the things that are true  
Hold me and I'll hold you

CHORUS: Yeah we got to get... repeat

TAG: Got to get a grip on life  
Before it slips away - little lady hoo  
'Cause yesterday's gone  
Leaving only today  
Yes yes yes yesterday's gone  
Leaving only today
